

## Components List

April 10, 2024

This is an unreleased version built on GitHub from commit 58c729f. To download the latest official release, please go to [GitHub release page](#) or [BoardGameGeek files section](#).

This document aims to comprehensively list the contents of all the board game boxes. It was compiled using a list in [this BoardGameGeek thread](#).

It is a community-driven project, which has a [GitHub repository](#). Everyone is welcome to contribute, make changes, and fix errors.

## Contents
